Mr. Faheem Anwar, Webmaster, with the request to upload the circular for information on Finance Division’s website.

14. Participants, who would successfully complete all activities of the program, shall receive a Course Completion Certificate co-issued by XNAI and CI.

VI. Nomination Criteria

15. Participants shall have an insightful understanding of relevant sustainable economic and social development and the capability to further promote sustainable development in their own country in the future.
16. Moreover, the following set of criteria will be used to select the target participants to attend the program:
 - a) Nominees from the Governmental departments should be a senior official.
 - b) Participants from academia should be professional in finance, economics or relevant subjects.
 - c) Participants should be committed to participating in 5-day workshop.
 - d) Participants should have strong communication skills and be fluent in English or Russian.

VII. Workshop Team

17. XNAI and CI will jointly deliver the workshop. Both organizing partners will cooperate extensively to leverage collective expertise and experience in delivering the program effectively and efficiently. The workshop will be delivered virtually on the 26th -30th of September 2022.
18. **Xiamen National Accounting Institute (XNAI)** was founded in 2002 and is directly affiliated with China's Ministry of Finance. XNAI is an important training base for high-level training in the fields of fiscal and taxation, economic management, accounting and auditing, gathering a strong faculty of top experts at home and abroad, and trainees including officials, corporate executives, and industry elites. XNAI has been cooperating with government departments and international organizations to carry out international financial personnel capacity-building projects. The Research Center for the Belt & Road Financial and Economic Development advocated by the Chinese government was established at XNAI. With a unique system for financial and economic think tanks, XNAI has been carrying out in-depth research on international financial issues and has achieved great outcomes. Teachers of XNAI have constantly provided professional advisory opinions for the Ministry of Finance and other national ministries and commissions, local government departments, and enterprises. They have proactively participated in various dialogues
