

Request for Expression of Interest

Country: Pakistan
Name of Project: Public Sector Enterprise Reforms Project
Consultancy Services: Hiring of Firm
ADB Project No. ADB Loan 3214-PAK (SF), Public Sector Enterprise Reforms Project

The Government of Islamic Republic of Pakistan invites Expression of Interest (EOI)'s from qualified and well reputed "Energy Sector Reforms Firms". The GOP is implementing a program in support of the energy sector reforms as outlined in the National Power Policy 2013 with a view to promote a sustainable energy sector and support economic growth.

In order to implement this program, GOP requires consulting services of a firm which will engage a team of qualified consultants at Ministry of Finance, Ministry of Water and Power and Ministry of Petroleum and Natural Resources. Eligible consulting firms with proven track record in connection with policy making regarding tariff, subsidies, energy sector performance, accountability and transparency, capacity building and reporting for government agencies are encouraged to apply. Further details are available on ADB website www.csrn.adb.org as well, please visit ADB website for downloading forms and TOR.

The EOIs must be delivered to the address given below (in person or by mail) in a sealed envelope, clearly mentioning the title of the assignment on the front top right corner within 30 days of this advertisement or latest by 30^h November 2015.
