SUBJECT:- Training course on “Water Crisis: Management and Conversation” scheduled on 29-31 October, 2018 at Lahore

Executive Development Institute, National School of Public Policy, Lahore, vide letter dated 25-09-2018 has informed that a training course has been designed on “**Water Crisis**” to be held on 29 - 31 October, 2018 at Lahore. The training is designed to assess the gravity of the challenge faced by the country in the context of water scarcity. The issue can be contextualized in the framework of availability of potable and irrigation water, water conservation and dynamics of Dams construction considering the crisis that the country confronts.

2. The course will expose the participants to a variety of proven strategies that have produced results in a diverse set of circumstances. The focus will be on the broad areas of governance and strategic management. The methodology covers a wide spectrum of case studies: presentations, group discussions, focus group discussions followed by a round-up discussion and brain storming sessions. Each case describes an actual situation prevailing in Pakistan and serves as a stimulus for participants to think through possible approaches and solutions to the challenge.

3. Interested Officers of Finance Division, in BS-20/21 are requested to forward their nominations to QA-I Section by **12-10-2018** for onward transmission to the quarter concerned.
