GRANTS AND
APPROPRIATIONS**

P R E F A C E

This publication titled “Demands for Grants and Appropriations 2020-21” is tabled in the National Assembly under Article 82 of the Constitution. It gives summarized information about individual Demands for Grants and Appropriations included in the Annual Budget Statement 2020-21. The Constitutional provisions at Articles 80-82 define Appropriations. Article 82 (1) describes those Appropriations which are charged upon the Federal Consolidated Fund and are to be discussed but not to be voted. Whereas Article 82 (2) describes expenditures for which the Assembly has the power to “assent to” or “to refuse to assent to” any demand. For this purpose distinction has been made between Grants and Appropriations by presenting the Charged Expenditure in Italics and reflected under Appropriations. For the Current and Development Expenditures, a clear distinction has been made between Expenditure on Revenue and Expenditure on Capital Account.

The Function-cum-Object Classification system makes it possible to view information from different perspectives. The Functional Classification provides a perspective about the purpose on which money will be spent like general public service, defence affairs, public order and safety etc. Whereas the Object classification gives expenditures like employees related expenses, utilities, motor vehicles and travel etc. This publication gives information till the minor level of Functional classification and Major level of Object Classification. Furthermore, for bringing transparency and better understanding in the budgetary mechanism this year additional information has been added up reflecting the previous year’s actual expenditure, as required under Section 4 (2) of Public Finance Management Act, 2019.

Schedule-I of this publication is a Summary of Grants and Appropriations, which is segregated into charged and voted expenditure. Schedule II provides a Function-wise Summary of the expenditure and also summarizes the gross expenditure, estimated recoveries and net expenditure. Schedule III provides an Object view of spending against different Grants and Appropriations.

Finance Division,
Islamabad, the 12th June, 2020

NAVEED KAMRAN BALOCH
Secretary to the Government of Pakistan
